

# Monster Combo® BINS

## 2700 & 2800 Series

POWERFULLY TOUGH®

Monster Combo® bins are versatile, multi-use bulk containers for use in a variety of industries. These tough, durable, yet lightweight bins provide improved in-plant handling and over-the-road hauling capacities. Bins are scientifically engineered for added strength. Monster Combo® bins are rotationally molded of FDA-CFIA compliant polyethylene. Every Monster Combo® bin holds up to the tough challenges associated with the handling and transport of food products and bulk materials.

- Standard footprint 48 x 44.
- Molded for extra strength.
- Reinforced top edge adds strength and resists splitting.
- Nestable.
- 2 way & 4 way fork lift and pallet jack entry.
- Seamless one piece construction.
- Extra thick at corners and floor to resist impact and water.
- Smooth seamless surface is easy to clean.
- Stackable 2 high with optional lid.
- Optional drains available.
