

# Open Top Stainless Steel Vat

Bonar's Open Top Vats are designed to meet and exceed the specific USDA and FDA design requirements for the food, pharmaceutical, and meat industries.

The Open Top Vats are user friendly for all pallet jacks and forklifts, providing 4-way fork access.

Several standard and custom sizes are available. The standard footprint has a 42" x 48" base.

Fabricated from T-304 or T-316 stainless steel material.

Internal welds finished to meet USDA requirements.

Large 2" sweeping radius on all corners for ease of cleaning.

Sealed oval leg design.

Heavy Duty 10 gauge thick one-piece stamped bottom heads on standard vats.
